Tom,

The attached FPMR concerning the Federal Facility Ridesharing Program, dated 14 October 1980, was just received. Please note the reporting requirement under Paragraph 9 (page 4). Since LSD manages the Agency Ridesharing Program, I assume the data requested is readily available. If so, and the data requested on GSA Form 3261 is not classified (number of Agency employees, etc.), I would suggest that LSD furnish GSA the desired information over Mr. McDonald's signature and send P&PS an info copy which we can incorporate in the Agency's annual energy report to DOE.

Thanks, 25X1A
